

Navigating with Federal Agencies

Sometimes it can be difficult to navigate the maze of the federal government. My district office can help you obtain reliable information, order forms, and inquire on your behalf with a federal agency. Although my staff cannot guarantee a particular outcome, they will do their best to help you receive a fair and timely response to your concern.

Online Answers to your Questions

You can always contact my district office for assistance with a federal agency; however, you may be able to resolve concerns on your own with the answers to several of the most frequently asked questions on the following topics. You can find more information on the services my office can help with, as well as answers to the most frequently asked questions.

State, County City and Other Local Government Agencies

As a federal representative, I am able to make inquiries of federal agencies. If your case involves a state or local agency, please contact your state or local government representative for assistance. For your convenience I have created a [listing of many state and local government agencies](#)

Helpful List of Federal Agency Websites

These are some of the federal agencies that my office can help with. Please check their websites before contacting the office because they may contain the information you need: You can find a comprehensive list of federal agencies by [clicking here](#).
