

Tell Me What You Think About Health Care

Wednesday, December 02, 2009

Dear Friend,

No matter where you stand on the health insurance reform debate, I think it's important that I understand how you feel about your health care. The bill that passed in the House is now on hold while the Senate takes up debate. Meanwhile, I want to continue to hear from my constituents about what matters most to you about health care.

Please fill out the survey below to let me know what you think about health insurance reform and the legislation currently being debated in Congress. And for more information on health insurance reform, please visit my website at <http://israel.house.gov>.

Sincerely,

Steve Israel
Member of Congress
