

Dear Friend,

The economic climate is hitting Long Islanders hard these days – but no group of people has been harder hit than senior citizens. Born into the Depression and shaped by World War II, the Greatest Generation then built Long Island into the prosperous community it is today. Now these seniors are facing skyrocketing health care costs, ballooning mortgage rates, and shrinking Medicare payments.

Caseworkers in my district office are trained to help seniors with many of these problems. My office can assist with:

- Social Security Benefits
- Stimulus Payments
- Medicare Benefits
- Veterans Benefits and Medals
- Mortgage Concerns
- IRS and Tax Issues
- Fraud and Senior Scam Requests
- Postal Service Issues
- Tours and Flag Requests
- Bill Status and Copies of Legislation

Click here (<http://israel.house.gov>) to watch testimonials from senior citizens that my office has helped. If you need assistance in working with the federal government, you can call 631-951-2210. And for more information on my work with seniors, please visit my website at <http://israel.house.gov>.

Sincerely,

Steve Israel
